

Leadership Assessment

Dr. Makki offers you a great tool called the LEADERSHIP GAME, The Game is a fun, interactive, and edifying way to assess communication, address difficult topics, and identify strengths and weaknesses. Through thought-provoking questions, individual reflection, and ideological debates, any group will understand one another more deeply in order to perform more effectively. This tool will help lead the conversation into how you can work with the organization to improve in their areas of weakness and enhance their strengths.

The 4 important things you need to know about TRUE Leadership

Dr. Houssam Makki is passionate about leadership awareness, therefore he created a 20 minutes presentation that talks the 4 important things that every aspiring leader need to know before leading.

**"LIFE IS A JOURNEY
TOWARDS THE GOLDEN
STATE"**

Whether you are an entrepreneur, business owner, or team leader, the golden shell philosophy is developed to help you enhance your foundation by helping you think inductively and NOT deductively.

Inductively is from the inside out drawing from the untapped potential and wisdom within, while deductively is from the outside in, it's how we comprehend and interpret the world around us.
