BRINGING TRUE LEADERSHIP BACK TO THE SURFACE

Dr. Houssam Makki is a founding member and head of the Middle East division of Crown Life Trainers International (CLTI of crownlifeseminars.com) and is associated with the John Maxwell International Team. He is also an author, thought leader, leadership expert, speaker, and life coach.

Dr. Makki is a World Civility Ambassador and recognized by iChange Nations (ICN) with the endorsement of the Golden Rule Standard Award, the Productive Business Community Game-Changer Award, and the Healthy Competition Award recipient

Dr. Houssam has an insatiable appetite for helping individuals maximize their potential and position them in their knack zone, he also supports organizations to amplify their communication, and connection so they can make an influential impact in the workplace. He mentors with passion, guiding his clients to effectively strengthen and elevate their leadership vision to new heights and unlock their potential through his M.A.K.K.I. method.

Dr. Houssam has been invited to speak in small trainings, outdoor events, and schools. To name a few:

- Action Exhibition for young entrepreneurs.
- Dasman Bilingual School students; grades 9, 10, 11 and 12.
- Kuwait Oil Company (KOC)
- Other organizations such as:
- local Toastmasters.
- Network marketing team events.

He also conducted many mastermind groups; Crown Life intensive sessions and helped tens of entrepreneurs and aspiring individuals become published authors.

Dr. Houssam started pursuing self-discovery which he was introduced to in 2013 and decided to act on it.

Today as an inspirational speaker, he speaks the reborn (based on his own experience) as a principle of life and success, he also speaks his true leadership philosophy which he developed as a result of his personal studies about this incredible topic since 2012. Dr. Houssam is intentional about raising awareness and reforming leadership in order to transform leaders into true leaders.
